

HOSPITAL AT HOME IN MEDICAL ALLEY

63 health systems, with 139 hospitals, throughout the United States are approved by the Centers for Medicare & Medicaid Services to provide reimbursed hospital at home care.

In Minnesota, two hospital systems, **ALLINA** and **HEALTHPARTNERS**, are approved by CMS and provide hospital at home services through five hospitals within the metro area.

“ALLINA HAS ALREADY CARED FOR OVER 550 PATIENTS THROUGH THE ALLINA HOME HOSPITAL CARE PROGRAM AND IS COMMITTED TO EXPANDING ACCESS THROUGH THE PANDEMIC AND BEYOND.”

- **JULIA CRIST**
VP OF HOME AND COMMUNITY SERVICES
ALLINA

NORTH MEMORIAL and **LIFESPRK** teamed up in 2020 to increase hospital at home usage during the COVID-19 pandemic. The partnership, entitled Hospital@Home, brings together North Memorial's healthcare services with LifeSprk's holistic approach to patient care and is expected to continue beyond the pandemic.

“BRIDGING CARE FROM HOSPITAL TO HOME MAKES US MORE EFFICIENT AND MORE FOCUSED IN THE HOSPITAL, AND MORE IMPORTANTLY, CREATES A BETTER CUSTOMER EXPERIENCE OVERALL.”

- **DR. CAROLYN OGLAND**
CHIEF MEDICAL OFFICER,
NORTH MEMORIAL HEALTH
